

Summary of Delta Dredged Material Placement Sites

Map ID	Dredge Material Placement Site	Active (Yes/No)	Owner/Operator	Types of Material Accepted	Years in Service	Capacity Remaining (CY)	Overall Capacity (CY)	Notes
1	S1							
2	S4							
3	S7							
4	S9							
5	S11							
6	S12 South Island Prospect Island		Port of Sacramento (Department of Interior Bureau of Land Management?)			1,710,000		3, 5
7	S13							
8	S14 Grand Island Placement Site		USACE			N/A		3
9	S16 Rio Vista Placement Site		USACE			3,000,000		3
10	S19 Decker Island Placement Site		DWR, Mega Sands, Port of Sacramento			20,000,000		3
11	S20 Augusta Pit Placement Site		Port of Sacramento (DWR?)			1,000,000		3, 5
12	S31 Port of Sacramento Placement Site		Port of Sacramento					
13	S32 (six segments)		Reclamation Districts 999 and 900					
14	S35 Montezuma Hills Placement Site		DOW Chemical Company			890,000		3
15	SX		Sacramento Muni					

Map ID	Dredge Material Placement Site	Active (Yes/No)	Owner/Operator	Types of Material Accepted	Years in Service	Capacity Remaining (CY)	Overall Capacity (CY)	Notes
			Utility District					
16	Sherman Lake (Sherman Island?)		USACE			3,000,000		3
17	Montezuma Wetlands Project		Montezuma LLC					
18	Montezuma Wetlands Rehandling Site		Montezuma LLC					
19	Expanded Scour Pond Placement Site (also called Sherman Island?)	Yes	DWR	Dredge material according to WDR #R5-2004-0061			250,000	1, 2, 3,4
20	McCormack Pit Placement Site (also called Sherman Island?)	Yes	DWR	Port of Stockton maintenance material only WDR R5-2003-0145			250,000	3,4
21	Jersey Island Placement Site	Proposed Restoration Project	Iron House Sanitation District	Levy repair and maintenance				3
22	Bradford Island Placement Site	Yes	Port of Stockton	Port of Stockton maintenance material only WDR R5-2003-0145		1,000,000	435,000	1, 2, 3
23	Roberts Island II Placement Site	Yes	Port of Stockton	Port of Stockton maintenance material only WDR R5-2003-0145		N/A	1,400,000	1, 2, 3,4
24	Robert Island I Placement Site	Yes	Port of Stockton	Port of Stockton maintenance material only WDR R5-2003-0145		N/A	2,200,000	1, 2, 3,4
25	Spud Island	Yes	Port of Stockton	Port of Stockton maintenance material only WDR R5-2003-0145		N/A	150,000	1, 2, 3,4
#9?	Los Ulpinos		USACE			2,300,000		3

Map ID	Dredge Material Placement Site	Active (Yes/No)	Owner/Operator	Types of Material Accepted	Years in Service	Capacity Remaining (CY)	Overall Capacity (CY)	Notes
	Brannan Island State Park		State of California, Dept of Parks and Rec.			9,300,000		3
#14?	Sacramento North Shore		USACE			3,000,000		
	Stockton- Adjacent to San Joaquin River near Port		Port of Stockton	Dredge material according to WDR GO #R5-2004-0061.			720,000	1, 2

1 Denotes sites where useful capacity of site may be extended indefinitely due to removal of dredge material for beneficial reuse.

2 Volume source: WDR R5-2004-0061

3 Volume source: Subsided Island Restoration Design in the Sacramento-San Joaquin Delta: A Solution for Levee Fragility and Water Supply Vulnerability in the Delta

4 Volume source: WDR R5-2003-0145. Scour Pond and McCormack Pit are extensions of the Sherman Island disposal site. Scour Pond is expanded from 30 to 140 acres. McCormack Pit will be expanded from 26 to 51 acres.

5 Different ownership identified in various documents
